

## GL621 Clear Vinyl PF™

The GL621 Clear Vinyl PF™ is a vinyl powder free disposable glove that complies to Medical Standard EN455 Class I and has an AQL rating of 1.5. The GL621 is strong and durable, and naturally resistant to moisture and humidity. It contains none of the proteins that are present in latex rubber thus eliminating protein sensitisation and it is powder free reducing the risk of product contamination. The soft vinyl formulation of the GL621 is flexible and dextrous providing greater comfort, and with a beaded cuff adding extra strength, the GL621 Clear Vinyl PF™ is extremely durable providing a long life span and is excellent value for money.
